SAFE HARBOR STATEMENT

Cautionary Notice: In addition to statements of historical fact, this news release contains forward-looking statements within the meaning of the federal securities laws and is intended to receive the protections of such laws.

All statements, other than historical facts, included or incorporated in this release could be deemed forward-looking statements, particularly statements that reflect the expectations or beliefs of Daktronics, Inc. (the "Company," "Daktronics," "we," or "us") concerning future events or our future financial performance. You are cautioned not to place undue reliance on forward-looking statements, which are often characterized by discussions of strategy, plans, or intentions or by the use of words such as "may," "would," "could," "should," "will," "expect," "estimate," "anticipate," "believe," "intend," "plan," "forecast," "project," "predict," "potential," "continue," or "intend," the negative or other variants of such terms, or other comparable terminology. The Company cautions that these forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from our expectations as a result of various factors, including, but not limited to, changes in economic and market conditions, management of growth, timing and magnitude of future contracts and orders, fluctuations in margins, the introduction of new products and technology, the impact of adverse weather conditions, increased regulation, the imposition of tariffs, trade wars, the availability and costs of raw materials, components, and shipping services, geopolitical and governmental actions, and other risks described in the Company's Annual Report on Form 10-K for its 2025 fiscal year (the "Form 10-K") and in other reports filed with or furnished to the U.S. Securities and Exchange Commission (the "SEC") by the Company. You should carefully consider the trends, risks, and uncertainties described in this presentation, the Form 10-K, and other reports filed with or furnished to the SEC by the Company before making any investment decision with respect to our securities. If any of these trends, risks, or uncertainties continues or occurs, our business, financial condition, or operating results could be materially and adversely affected, the trading prices of our securities could decline, and you could lose part or all of your investment.

Forward-looking statements are made in the context of information available as of the date of this news release and are based on our current expectations, forecasts, estimates, and assumptions. The Company undertakes no obligation to update or revise such statements to reflect circumstances or events occurring after this presentation except as may be required by applicable law. All forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by this cautionary statement.
