PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS

AUGUST 16, 2000

This Proxy Statement is furnished in connection with the solicitation of the enclosed proxy by the Board of Directors of Daktronics, Inc. ("Daktronics" or the "Company") for use at the Annual Meeting of Shareholders to be held on Wednesday, August 16, 2000, at Daktronics, Inc., 331 32nd Avenue, Brookings, South Dakota at 7:00 p.m. Central Daylight Time, and at any adjournment thereof, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

Shares of Common Stock represented by proxies in the form solicited will be voted in the manner directed by a shareholder. If no direction is made, the proxy will be voted (1) for the election of the three nominees for director named in this Proxy Statement, and (2) for the ratification of the appointment of McGladrey & Pullen, LLP as independent auditors for the Company for the fiscal year ending April 28, 2001. A shareholder may revoke his or her proxy at any time before it is voted by delivering to the Secretary of the Company a written notice of termination of the proxy's authority, by filing with the Secretary of the Company another proxy bearing a later date, or by appearing and voting at the meeting. This Proxy Statement and the form of proxy enclosed are being mailed to shareholders commencing on or about July 19, 2000.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspectors of election appointed by the Company for the meeting, and the number of shareholders present in person or by proxy will determine whether or not a quorum is present. The inspectors of election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum for all matters. Shares abstaining will be treated as unvoted. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote by the inspectors of election with respect to that matter. The three persons receiving the most votes will be elected for directors and the ratification for the appointment of the auditors will be determined by a majority of the votes cast.

Only the holders of the Company's Common Stock whose names appear of record on the Company's books at the close of business on July 14, 2000 will be entitled to vote at the annual meeting. At the close of business on July 14, 2000, a total of 8,865,082 shares of Common Stock were outstanding. The holders of one-third of the shares of Common Stock issued and outstanding and entitled to vote at the 2000 Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business. If a quorum should not be present, the 2000 Annual Meeting may be adjourned from time to time until a quorum is present. Holders of Common Stock are entitled to one vote per share on all matters submitted to a vote of shareholders, except that with respect to the election for directors every shareholder shall have the right to vote, in person or by proxy, the number of shares owned by the holder for as many persons as there are directors to be elected, or to cumulate the holder's votes by giving one candidate the number of votes which is equal to the number of directors to be elected multiplied by the number of the holder's shares, or by distributing such cumulated votes among any number of candidates.

Participants in the Company's Employee Stock Ownership Plan (ESOP) are entitled to instruct the trustee of the ESOP how to vote all shares of Common Stock allocated to participants' accounts under the ESOP. Each participant

will receive a voting instruction card to direct the trustee to vote that participant's allocated shares. If a participant does not timely return a completed voting instruction card, the trustee will vote the shares allocated to that participant in the same proportion as the shares which are voted by all participants under the ESOP. The trustee of the ESOP will vote any unallocated shares of Common Stock held by the ESOP in the same proportion as the shares allocated to the participants' accounts.

Participants in the Company's 401k plan who have Daktronics shares as one of their 401k selections are entitled to instruct the trustee of the 401k plan how to vote their shares of Common Stock. Each participant will receive a voting instruction card to direct the trustee to vote that participant's shares. If a participant does not timely return a completed voting instruction card, the trustee will vote the shares allocated to that participant in the same proportion as the shares which are voted by all participants under the 401k plan.

Expenses in connection with the solicitation of proxies will be paid by the Company. Proxies are being solicited primarily by mail, but, in addition, officers and regular employees of the Company who will receive no extra compensation for their services may solicit proxies by telephone, telecopier or personal calls. The Company may reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of Common Stock.

A copy of the Company's Annual Report for the fiscal year ended April 29, 2000 is being furnished to each shareholder with this Proxy Statement.

REPORT OF THE COMPENSATION COMMITTEE

CASH COMPENSATION

DETERMINATION OF BASE SALARY The Company's compensation philosophy is to target executive salaries close to the median market rate paid for comparable positions within the Midwest region for similar size companies.

The Compensation Committee reviewed base salaries for executive officers in October 1999. Company fiscal 1999 performance was also considered. Based upon this review, the Committee approved adjusting the base salary of Aelred Kurtenbach 19% and the base salaries of the other executive officers an average of 15%. Salaries are reviewed annually.

DETERMINATION OF BONUS For fiscal 2000, the Committee chose a formula based performance bonus plan for the executive officers. The bonus consists of one months salary provided that after tax earnings exceed 13.5% of beginning stockholders equity. The bonus increases yearly with performance improvement to a maximum bonus of three months salary at the point that after tax earnings exceed 17.5% of beginning stockholders equity. For Fiscal 2000, the executive officers earned the maximum bonus under the plan.

EQUITY BASED COMPENSATION

In November 1993, the Board of Directors of the Company adopted the Daktronics, Inc. 1993 Stock Option Plan (the "Option Plan") which was approved by the shareholders in December 1993 and amended in August 1998. The Committee determines awards under this plan for executive officers and approves awards for other employees based upon the recommendation of the Company's executive officers. In November 1999, the Committee awarded Aelred Kurtenbach an option to purchase a total of 20,000 shares of Common Stock and allowed 130,000 shares to be granted per Aelred Kurtenbach's discretion.

The exercise price per share of these options was established as the average between the closing bid and asked price quotations for the Common Stock as reported by the National Association of Securities Dealers Automatic Quotation System (NASDAQ) on November 18, 2000, which was \$10.250 Subject to accelerated vesting upon "change in control" of the Company as defined in the Option Plan, the outstanding options generally vest 20% each year commencing November 18, 2000.

The Committee's basis for these awards was the Company's performance, as measured in increased net sales and results of operations, over the last three years and review of awards by the comparable companies. The number of options granted to the executive officers, including the Chief Executive Officer, was less than the average of the comparable companies for similar positions. The terms of these options, including duration, vesting, and exercise price were similar to that of the comparable companies.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

The Committee determined the Chief Executive Officer's compensation in the same manner described above for all executive officers of the Company.

BASE SALARY The Committee recommended Dr. Kurtenbach's salary be increased 19% to \$250,000, commencing November 1999.

DETERMINATION OF BONUS Based upon the bonus plan described above, Dr. Kurtenbach earned a bonus of \$62,500 for fiscal 2000.

EQUITY BASED COMPENSATION The Committee awarded to Dr. Kurtenbach options to purchase 20,000 shares of Company Stock at exercise price of \$11.275.
