The purpose of the Audit Committee (the "Committee") of the Board of Directors (the "Board") of Daktronics, Inc., (the "Company") shall be to assist the Board in its oversight responsibilities relating to the integrity of the financial statements and related filings of the Company; the effectiveness of the Company's internal control over financial reporting and disclosure controls and procedures; and the independence, appointment, compensation, performance and qualifications of the Company's independent registered public accounting firm (the "Independent Auditor").

2. Composition.

The Committee shall consist of a minimum of three directors. Members of the Committee shall be appointed by the Board and may be removed by the Board in its discretion. All members of the Committee shall be independent directors in compliance with the applicable rules and regulations, including those of the Securities and Exchange Commission ("SEC") and The NASDAQ Stock Market ("Nasdaq"), as amended or supplemented from time to time, including, without limitation, Section 10A(m)(3) of the Securities Exchange Act of 1934 ("Exchange Act") and Rule 10A-3(b)(1) under the Exchange Act. At least one member shall be an "audit committee financial expert," as defined by the applicable rules and regulations of the SEC and Nasdaq. The Chairman of the Audit Committee shall be appointed by the Board.

Although the Committee has the responsibilities set forth in this charter, it is not the duty of the Committee to prepare the Company's financial statements, determine that the Company's financial statements are complete and accurate and prepared in accordance with United States generally accepted accounting principles ("GAAP") and any other applicable accounting principles or standards, establish and maintain the Company's internal control over financial reporting and disclosure controls and procedures, or assure the Company's compliance with laws and regulations, all of which are the responsibility of the Company's management, or to audit the Company's financial statements or the effectiveness of the Company's internal control over financial reporting, which is the responsibility of the Company's Independent Auditor.

or other applicable requirements, and recommend to the Board whether the annual financial statements should be included in the Company's Annual Report on Form 10-K filed with the SEC. The Committee shall obtain assurance from the Independent Auditor that each integrated audit of the Company's financial statements and its internal control over financial reporting, and each review of the Company's interim financial information, was conducted in accordance with the relevant professional standards. The Committee shall review and periodically evaluate the performance of the lead audit partner of the Independent Auditor and assure the regular rotation of the lead audit partner and the audit partner responsible for reviewing the audit, as required by law.

The Committee shall have the sole authority to approve all audit engagement fees and terms, and the Committee, or a member of the Committee to whom the Committee has delegated such authority, must pre-approve any non-audit service to be provided to the Company by the Company's Independent Auditor as well as certain services provided by other auditing firms, except that the Committee shall not approve the engagement of the Independent Auditor to perform services not allowed under then current laws or regulations. The Independent Auditor shall report directly to the Committee. The Committee shall recommend to the Board that the Board submit the Committee's appointment of the Independent Auditor to the Company's shareholders for ratification.
